### QUICK-SLING VRF STAND

#### A close-up look:

Our VRF stand has four 12" x 12" feet, and sets up in under 5 minutes. It adjusts in 1/4" and 1/2" increments. This is done by rotating the foot 90 degrees. There are two 3/8" holes in each foot to secure the stand your footing.

Our VRF stands have two cross rails that are slotted to receive all major brands of VRF/VRV/HRV condensing units. Whether its a single unit or a combination of units. We have you covered.

Our hardware is galvanized and our Super Stand is powder coated with a sea coast coating for corrosion protection.

Patent Pending

**Quick-Sling Quick Stand provides you with a solid platform that is quick, safe, stable and affordable.**

- \*Sets up in under 5 minutes
- \*Made from 11 gauge square tubing
- \*Adjust height in 1/4" & 1/2" increments
